Mr. McElhaney talks with a Junior High student.

A basketball and football coach, naval reservist, and junior high school principal — all these are a part of Ordell W. McElhaney. This year the Breeze Staff wishes to dedicate the 1965 annual to Mr. McElhaney in appreciation for all that he has done for our school.

Mr. McElhaney resides at 11100 29 Mile Road with his wife Clayone and his son Doug, a senior at Albion High. His daughter, Claudia, is presently a senior at Albion College.

Mr. McElhaney was born in McDonald, Pennsylvania. He attended school at Louisiana Tech., Adrian College, and graduated from Albion College in 1939, receiving his Masters Degree from Albion in 1961. After entering the naval service he became a Lieutenant-Commander and officer of a supply transport in the South Pacific during WW II. He remained a member of the naval reserve and was able to treat the faculty at Albion to a ride on a naval vessel on Lake Michigan last fall.

An avid sports fan and participant, Mr. McElhaney is constantly involved in some athletic event. For many years he held the position of Athletic Director at Albion but gave it up to take over the job of Junior High Principal in 1960. Besides having been a football coach, he also led an Albion basketball squad to the state quarter-finals in 1949.

The staff and students sincerely express their appreciation to Mr. McElhaney for his fine leadership and guidance at Albion High over the years.

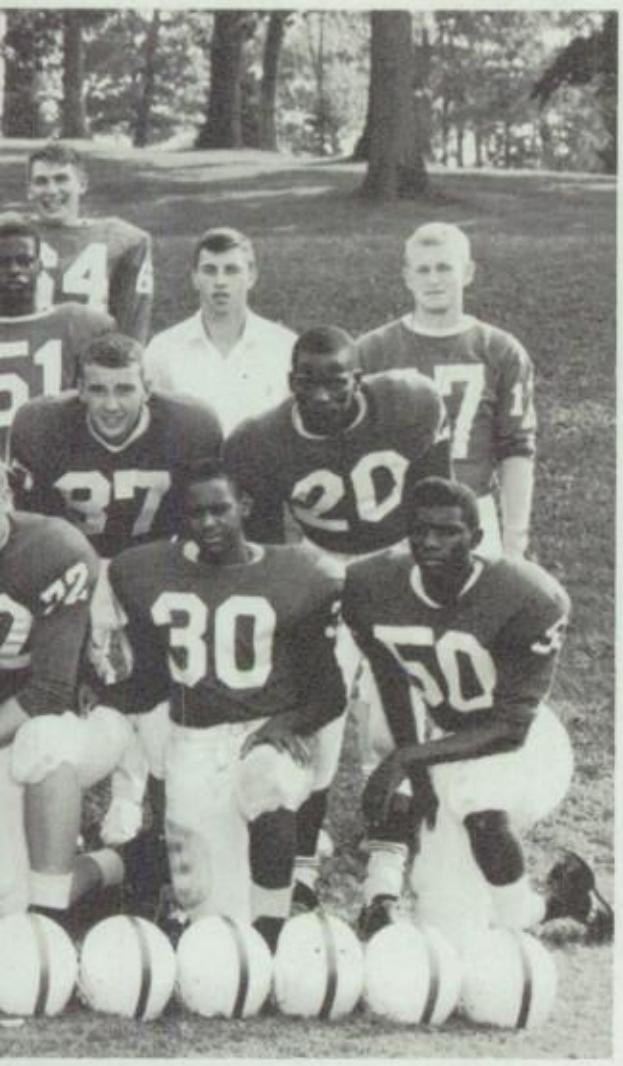
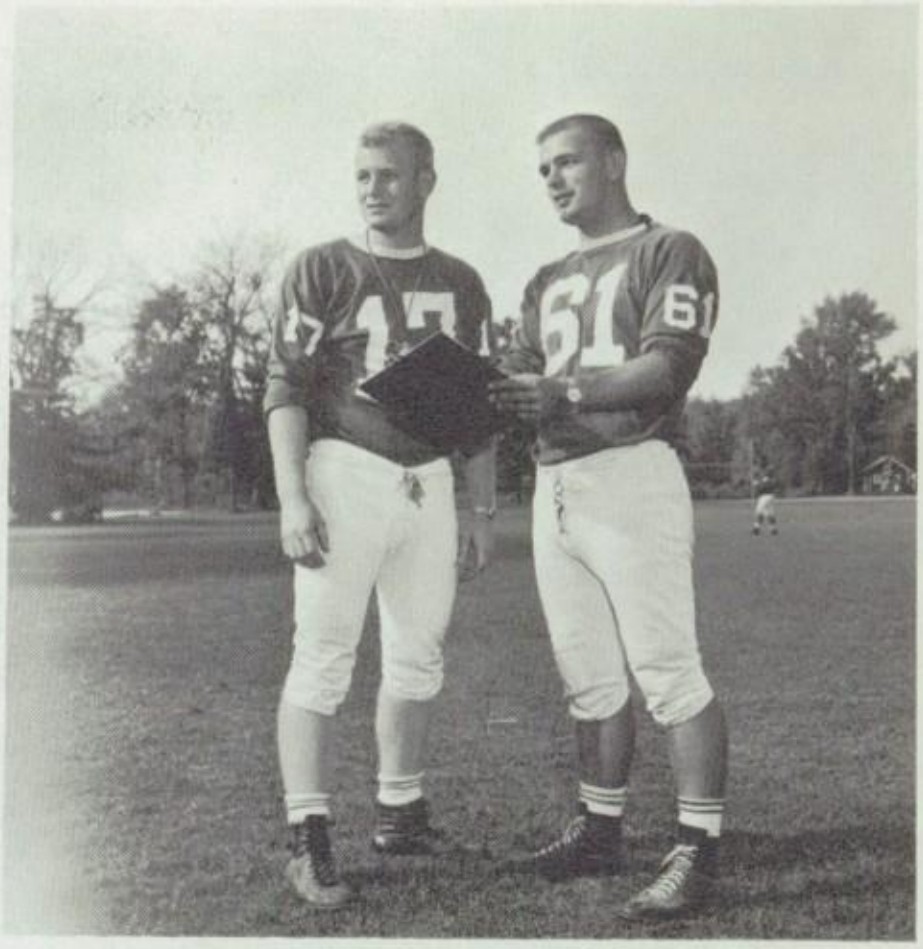
Varsity





Coaches—Ivan Muhlenkamp and Fritz Lewis.

Being Twin Valley Champs is indeed an honor for our 1964 football squad, but ending up 8-0 for the season gives them an even greater honor. Much credit should be given co-captains Bruce Gilbert and Paul Gardanier as well as coaches Fritz Lewis and Ivan Muhlenkamp.

The team's most valuable player and boss of Kelley's Krew, Jim Kelley, made the All-Twin Valley squad and All-State for the season.

A truly fine record is boasted by our Varsity grid-iron team.

"Like Varsity, like Reserve" seems an appropriate slogan for coaches Kruse and Faust's team this fall. They turned in an undefeated record with seven wins and no losses under the leadership of co-captains Joe Comfort and Dave Egnatuk.

We certainly look for a lot of action from this '64 squad as they assume positions on next year's Varsity team.

Wild-Kittens Invade Grid-Iron

Two of Albion's new coaches, Ray Campbell and James Harmon, led the new Frosh team to a successful first year with a record of 4-2. Phil Johnson and Bill Stone were co-captains of the squad which made a fine showing for Albion.

Although not undefeated in the scoring column, their enthusiasm and ability will be a good backbone for next year's Reserve team.

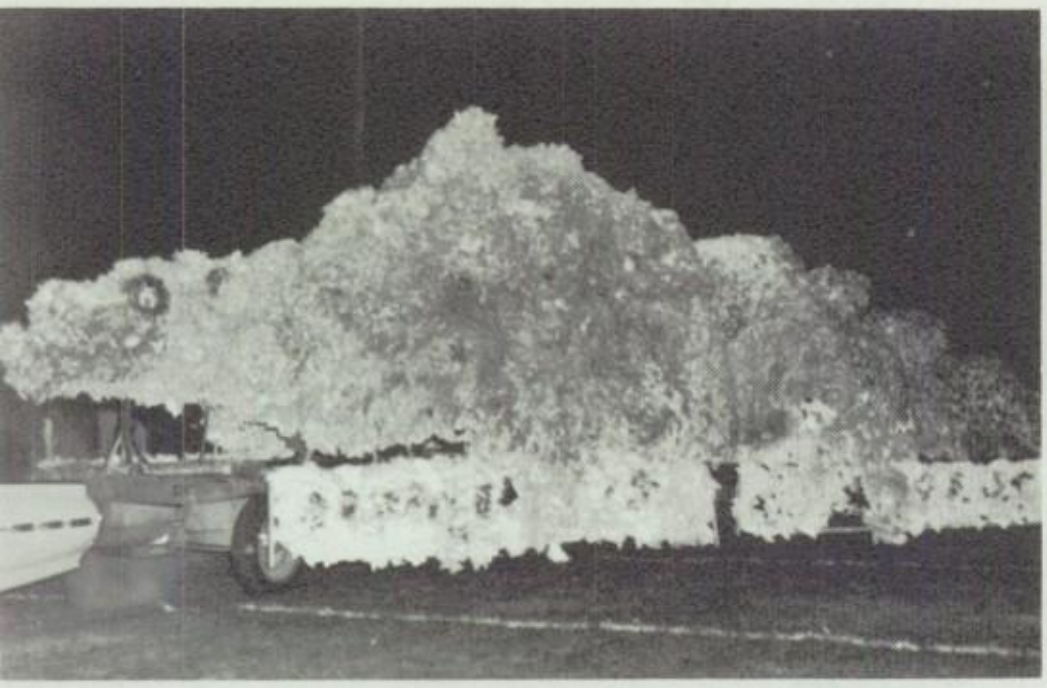
Queen and Court Reign Over Homecoming Festivities

Betsy Baldwin and Joanne Hilborn

Jean Bormann and Bonnie Gaskell



Juniors: Dragon to Victory.

Sophomores: Stomp 'Em.

A fine victory, admirable weather, and the coronation of petite and pretty Charlene Johnson topped the Homecoming events for 1964.

Halftime festivities began with a review of the three class floats, followed by the band and the Queen's Court. As the girls circled the field in convertibles, the Senior Band played the Broadway hit "Hello, Dolly."

The Court, consisting of Barb Anderson, Betsy Baldwin, Jean Bormann, Bonnie Gaskell, Elizabeth Gray, Joanne Hilborn, Charlene Johnson, and Jennifer Rumsey, and their escorts Dennis McCune, Grant Iverson, Paul Burstein, Nathan Dickmeyer, Doug McElhaney, Ken Miller, Bob Whitehead, and David Dice formed the cross bar of a large "A" made of band members. Then, as the crowd anxiously waited, Principal Harry Williams crowned Miss Charlene Johnson Homecoming Queen for 1964.

Following the game, Charlene and Her Court reigned over the dance, Autumn Memories, at the Albion Armory.

Radiant Queen Charlene.

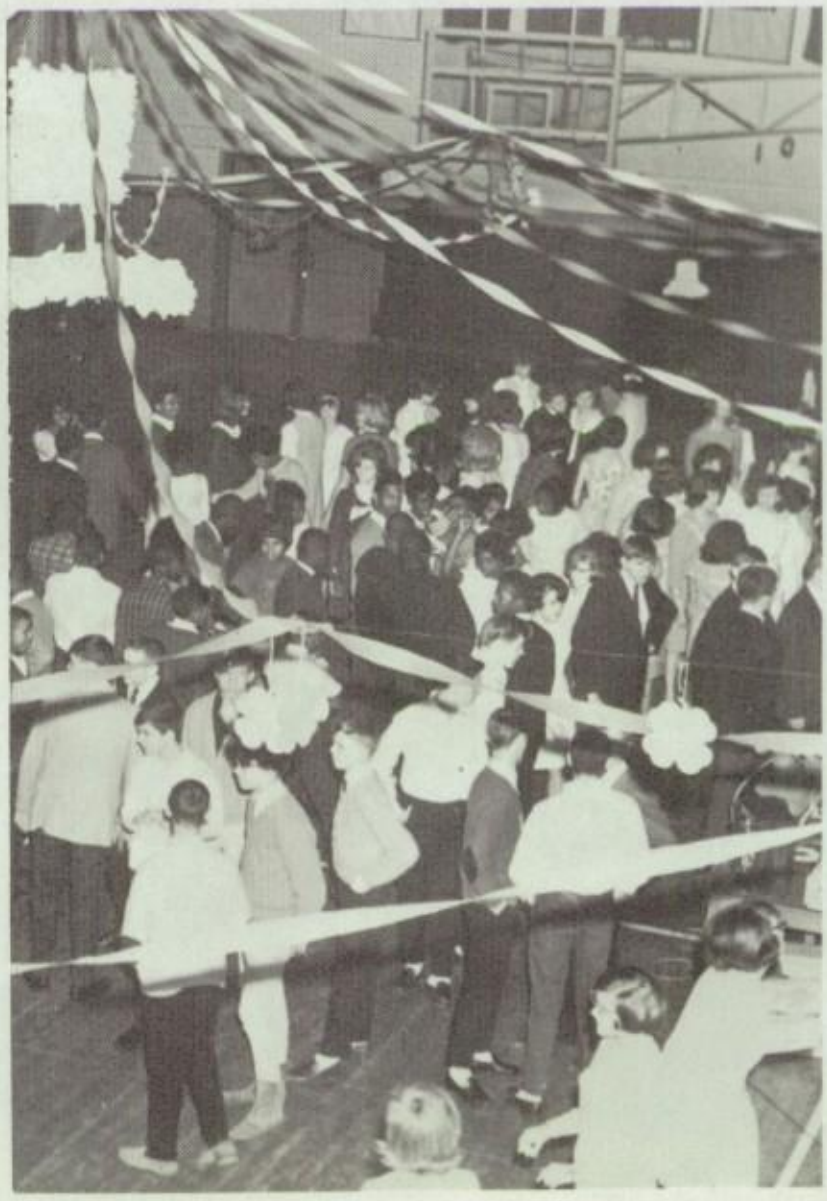
Senior High

The Senior High Student Council was busy again this year with the problem of where and when to spend their money. Their first project was Homecoming, October 23. They are in charge of the elections and cars for the court.

The Christmas Formal this year was "Fantasy in Frost" featuring Johnny Spears and the Staccatos. This was one of the most successful formals in quite a few years and everyone attending enjoyed a fine evening.

The council receives its money from Book Store profits and uses this to buy items and sponsor activities for the students and faculty.

Officers for the council this year were: Nate Dickmeyer, president; Bruce Gilbert, vice-president; Jean Bormann, secretary; Phil Pesch, treasurer; and Dick Underwood, sgt.-at-arms.



Student Councils Head Activities and Lead Students

Junior High

The Junior High Student Council was an active phase of student government this year. Two dances were sponsored, one in November and one in May, both of which were very successful. Also the Council took part in the annual Open House, acting as guides for the parents who visited the school. On March 2 the annual "Teachers' Tea" was held. A gathering of over one hundred and fifty teachers and principals of the Albion area attended, making it a very successful affair.

During the months of February and March, the Council held a tardiness contest among homerooms. The object of the contest was to try to cut down the number of tardinesses in the junior high.

The officers of the Council this year were: president, Mark Johnson; vice-president, Joe Young; secretary, Julie Young; treasurer, Lynn Morris; and sergeant-at-arms, Barry Young.

El Club de Los Buenos Vecinos

This year in "El Club de los Buenos Vecinos," or Spanish Club, the members enjoyed many activities under the sponsorship of Mrs. Mildred Ford. The officers, president Kathie Frank, vice-president Mike Bricker, secretary Kris Wolfram, and treasurer Dave Sacharski, aimed at giving the members an opportunity of learning and having fun with the language.

Monthly meetings were very well attended, highlighted by the Christmas "fiesta" held at the home of Diana Rowan. In the spring, the traditional spring picnic was held where the members tasted many Mexican dishes. Further experience of the language was acquired with the visits of three native speakers, Carlos Madrigal, Pedro Reyes, and Boris Bielajeu.

Le Cercle Francais

Le Cercle Francais, Albion's French organization, has kept busy this year. They've entertained Mr. Jean Nougier, a French professor at Albion college, who spoke to the club about teenagers in France. At Christmas time the group went carolling, singing, of course, only French songs.

Initiation took place in the spring with new members having to recite to earn their place in the club. The annual picnic was also held in the spring, and the delicious food was prepared from French recipes. The officers for 1965-66 were elected at this time.

The club was advised by Miss Janice Ross and was under the guidance of the following officers: president Nancy Pettersen, vice-president Ingrid Johnson, secretary Pat Wilson, treasurer Jane Dooley, and sergeant-at-arms Elizabeth Gray.

Future Nurses Club

Row 1—A. Bradshaw, N. Bradshaw, *Sgt. at Arms;* C. Heisler, *President;* L. Tanner, *Vice-president;* *Row 2*—R. King, *Secretary;* L. Riggs, *Treasurer;* A. Reynolds, *Point-keeper;* A. Dean, G. Botello, *Row 3:*—Mrs. Hart, L. Sweet, M. Carpenter, D. White.

The purpose of the Future Nurses club is to allow those girls at Albion who are interested in a career in medicine to meet and learn more about the factors involved. They have enjoyed various speakers such as the public health nurse and have taken field trips to the University of Michigan's School of Nursing, the Foote hospital in Jackson, and Sheldon Memorial hospital here in Albion. Again this year they have performed such civic duties as making place mats and favors for the hospital at Christmas.

This year the club had twelve members who were advised in their activities by Mrs. Elinor Hart. The officers were as follows: president Charlene Heisler, vice-president Linda Tanner, secretary Marilyn Drumm, and treasurer Linda Riggs.

Tastemakers Club

This year, as last year, the Tastemakers' club seemed to be one of the most active in the school. Its purpose is to enrich and broaden the members' cultural horizons. Highlighting this year's activities were the Raduga dancers, the Minneapolis Philharmonic, and the University of Michigan's annual May Festival.

Two candy sales, as well as other money-making activities, helped to raise funds for the annual spring trip. This year the club went to the Mammoth cave-Kentucky bluegrass area.

The Tastemakers' club had a very successful and exciting year under the direction of advisor James Theisen. The officers were: Dave Daniels, president; Nancy Huvendick, vice-president; Pat Wells, secretary; and Sue Hallock, treasurer.

Bi-Phy-Chem Club

Bi-Phy-Chem, Albion's science organization, is made up of students from biology, physics, and chemistry classes. Its goal is to promote an active interest in science among these students.

Various scientific reports were given at the meetings this year. Dr. Merle Milligan, professor of mathematics at Albion college, spoke on symbolic logic and freshman Jim Irwin gave an interesting report on monarch butterflies. Officers Paul Burstein and Nathan Dickmeyer illustrated the tau and kappa effects in psychology.

The club this year was under the direction of advisors Arthur Ullrey and Vernon Baldwin. Officers were: Paul Burstein, president; Nathan Dickmeyer, vice-president; Bonnie Gaskell, secretary; and Sue Gilbert, treasurer.

Pep Club

To promote more spirit in our high school students a pep club was started at AHS this winter. Mr. Behling, Junior High Math teacher, assumed the responsibilities of club advisor.

A section was reserved at each home game for enthusiastic spectators and it was very successful. It is hoped that more students will take an interest and join the club next fall. The members held meetings and sold club pins of red and white that said "Pep Club Member".

Officers for the club were: president, Joyce Smith; vice-president, Kris Wolfram; secretary, Paulette Gifford; and point-keeper, Gail Frank.

Drama "Dino"

"Dino", by Reginald Rose, was performed before large audiences on Thursday, December 3, and Saturday, December 5. The play was very well received, considering that this was the first attempt for serious drama.

The lead male role was portrayed by Gil Johnson, who proved himself to be an actor, not just a memorizer of lines. The lead female role was that of a shy, young girl named Shirley. Bonnie Gaskell played this part very well. Supporting actors also gave fine performances to add to the success of this production. Mr. Michael Beery, English teacher at Albion, directed the play this year with the help of student director, Doug McElhaney.

Mr. Beery is to be congratulated for his tremendous donation of time and energy in producing this successful drama.

Seniors

For the third year in a row Albion's Wildcat Cagers have captured the Twin Valley crown. This year the 'cats finished the season with 14 wins and 3 losses.

Ronnie Wilson led the team in scoring and made a good showing at every game. Both Ronnie and Karl Wilson were named to the all-conference team.

Although many of the boys will graduate we can still expect a lot from our Varsity and Reserve teams next season. Thanks and credit is also due to Coach Don Ashdown.

Albion can certainly boast a fine record for its reserve basketball, squad this year. The 'cats ended their season with an undefeated, 16-0 record and first place in JV play.

Willie Tabb, sophomore, scored 241 points for the team this year and also led in rebounds with 182. Willie moved to the Varsity squad at the end of the season and saw considerable action on the court during tournaments.

Much credit can be given to the coach this season, Mr. Ivan Muhlenkamp and co-captains: Bob Gray, Jim Lackey, and Willie Tabb. With a team such as this assuming positions on next years Varsity Team Albion should continue to control JV standings for several years.

The wrestling team made a great deal of progress this year. Moving from a one win-nine loss season of last year to a season that saw the Wilcats win four, lose five, and tie two meets. The team finished second in the league this year by virtue of their dual meet and tournament records. The team climaxed the season by placing fourth in regional meets and sending three wrestlers, Chuck Miller, Mike McCall, and Bob Butler, to the state finals. Chuck Miller, captain, led the team with a 28-3 record and went on to place second in the state finals.

The swimming squad has greatly improved this season as the result of some very hard work by its members. Proof of this statement was very evident at the Class B State Swimming meet held in Ann Arbor this year. The team was able to score 35 points against twenty-six other very capable teams. The 35 points resulted in a twelfth place finish.

Part of the credit for the success of the team goes to John Campbell who proved himself an outstanding captain, leader, and swimmer. The team will miss John and senior Rick Reynolds another outstanding swimmer.

With nearly all of its members back next year the swimming team expects even a better season than it had this year.

Cross Countr

Row 1—Dave Kubicek, Scott White, Chuck Miller, Nick Pannicia, Willy Sacharski,
Row 2—Mr. Ashdown, Dave Lutcke, Don Day, Russ Rahulin, Jim Kosko, Mike McCall

Cross country, one of the newer sports at A.H.S., is rapidly improving with more participants and better records. Under the direction of Coach Don Ashdown and Captain Scott White, this year's squad has an impressive season to boast.

The two top runners on the team, Scott White and Dave Kubicek, qualified for the state meets this year. Scott has also set a new school record for the two-mile course — ten minutes, nine seconds.

We look forward to much more interest and improvement in this competitive sport, and it will surely become one of Albion's best.

Seniors—Don Day, Chuck Miller, and Scott White.

Frosh Basketball

The Freshmen Basketballers were coached by Jerry Redding this winter, a new addition to the coaching staff at Albion.

The team ended their season with a five win - four loss record. Two games were cancelled because of weather. They started the season slow but had a good finish, winning four out of the last five games. Being their first year of competitive basketball the boys lacked height and experience.

Leading scorer, rebounder, and playmaker was Terris Wilson, a 5' 11" forward guard. These boys will be providing the backbone for next year's Reserve squad.

Freshmen numerals were awarded to: Terris Wilson, Mark Johnson, Phil Johnson, Dennis Heisler, Gary Selent, Tim Warren, Dennis McMillan, Lynn Ralston, Larry Andreas, Jerome Bridges, and Gary Yokum.

Varsity Club

The 1964-65 school year has been exceptionally active for Albion High School's Varsity club.

Last fall they took on the duty of printing the high school football programs which were furnished at our home games. Their autumn activities also included a late-November hayride.

During the winter they sponsored the traditional Red & White basketball game, the proceeds of which went to buy new shoes for the team. They were also in charge of the annual Senior-Faculty basketball game after the end of the regular season.

Much of the extra money earned by the club was used to buy badly needed athletic equipment or was put into a special fund for a football scoreboard for the new school.

Heading this year's club along with advisor Mr. Fritz Lewis, were president Ron Isaac, vice-president John Campbell, secretary Bruce Gilbert, treasurer Tom Stone, and sergeant-at-arms Karl Wilson.

The club's purpose is to enhance sportsmanship and interest in athletics. The membership is composed of letter-winners in any of the school's various sports activities.

Girls Take Part in Sports Activities

G.A.A., Albion's Girls' Athletic Association, has been exceptionally active this past year. Under the advisorship of Mrs. Darcy the club has organized weekly bowling at Collegiate Lanes, numerous bike trips, and many other athletic games for interested girls.

The officers this past year were: president, Connie Dickmeyer; vice-president, Yvonne Wexell; secretary, Linda Kehoe; treasurer, Tonya Tymchenko; sergeant-at-arms, Carol King; and point keeper, Lynn Morris.

Row 1—J. Ford, *vice-president;* K. Reed, *secretary-treasurer;* T. Abendroth, *president; Row 2*—S. Olinyk, D. Holcroft, M. Ford, R. King, B. Troop, J. Jennings, J. Olinyk. *Row 3*—W. Brewer, L. Mu Alpha Theta

Mu Alpha Theta, Albion's mathematics group, has embarked on many interesting activities this year. Under the leadership of advisor Ivan Muhlenkamp the club offered special tutoring to any student who might have wanted it. They were in charge of the glass case across from room 207 and have kept it full of interesting material.

Several speakers came to their meetings, among them Mr. Crowell from Albion college, Don Ashdown, and Mr. Miller, a certified public accountant. Also the treasury bought math club pins for all of its members.

The officers of Mu Alpha Theta this year were: president, Tom Abendroth; vice-president, Joyce Ford; and secretary-treasurer, Karen Reed.

Library Club

Albion high school's Library club has had many interesting activities this year. Meetings included talks by Jean Bormann and Mrs. James Hart on trips that they took. A very interesting and enlightening evening was spent at the Albion college library where Mrs. Hance showed the members of the club their facilities.

The Christmas meeting was a potluck supper which was fun for all. Later this year some of the club will attend the State Library Assistants' Association of Michigan meeting at Ann Arbor.

The officers of the Library club this year were: president, Mary Jean Brock; vice-president, Sue Blodgett; secretary, Jean Staley; treasurer, Rosemary King; historian, Charles Wixon; and pointkeeper, Gail Frank.

Row 1—Mrs. Gaskell, B. Fisher, J. Staley, M. Brock, S. Blodgett, R. King, G. Frank, Mrs. Engstrom. *Row 2*—J. Dewitt, N. Dunn, J. Henson, D. Osburn, M. Jiles, P. Grimes.

The A.H.S. Varsity debate team had a fine record this year. They won the Twin Valley league championship and the districts with a 5-1 record to continue. Although they lost in the double elimination of the Regionals, they presented a fine showing. The tournament debaters this year were: affirmative, Nathan Dickmeyer and Nancy Zick, and negative, David Rammelkamp and Bill Davey. Alternates were Jon Gaskell, Willie Bogan, Phil LeClear, and Bob King.

Their overall record, then, for the year was 21 wins against 9 losses — a fine year for coach Ethel Fleenor, who is looking forward to another excellent season next year.

With the big change over in faculty this fall, Albion gained four new coaches. They are: Ray Campbell, Jim Harmon, Kenneth Faust, and Fritz Lewis.

Mr. Ellsworth Anderson was moved from Head Football Coach to school Athletic Director with the appointment of Fritz Lewis to his coaching position.

Albion High's coaches can certainly boast fine records for all sports activities this year. We will continue to look for good guidance from our coaching staff to make champs in every field at AHS.

National Honor Society

"The object of the National Honor Society shall be to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students of Washington Gardner High School.

"Ten percent of the seniors and five percent of the juniors may be elected to membership.

"An annual initiation is held in March for the new members elected by the faculty."

The activities of the Thespian club this year were highlighted by the production of "Dino", a drama starring Bonnie Gaskell and Gil Johnson. Under the leadership of advisor Michael Berry, the club also planned several outings. In November they went to the Fisher theatre in Detroit to see the new musical "Oliver!".

Also the club had several parties, one, a cast party after the second night of "Dino", at the Berry's, and a second for the entire club and new members at the home of Barbara Johnson.

Officers of the dramatic club this year were: president, Phil Pesch; vice-president, Gil Johnson; secretary, Nancy Zick; and treasurer, Paul Burstein.

Mr. Larry Ley, Albion's new vocal music director, presented a fascinating musical for this year's spring production, "Brigadoon" by Learner and Lowe. The play, given in the evenings of May 7 and 8, concerned two New Yorkers, Tommy Albright and Jeff Douglas, who accidentally stumble on Brigadoon, an eighteenth century Scottish village. A wedding is about to take place between Jean McClaren and Charlie Dalrymple. Tommy and Jeff, after some confusion, enter into the spirit of the day. This is enhanced by Tommy's attraction to Fiona, Jean's sister.

The wedding takes place, but tragedy shadows the occasion. Fiona and Tommy, by now deeply in love, part, because the price of remaining together seems too great. How love reunited them across the gulf of two centuries was the moving finale of this enchanting tale.

This year the vocal music department is fortunate to have as its new instructor, Mr. Larry Ley. Under his direction the three choirs, varsity, general chorus, and junior high, have presented Christmas and spring concerts, besides taking part in the school convocations. The choirs participate annually in the Spring Festival held at Western Michigan University in Kalamazoo.

The officers of the various choirs this year are: for the Varsity choir, Bruce Gilbert, president; Bonnie Gaskell, secretary; Ingrid Johnson and Barb Johnson, librarians; for the general chorus, Nancy Huvendick, secretary; Vickie Frank and Charlene Johnson, librarians; and for junior high choir, Mark Comfort, president; Becky Merrild, secretary; Karen Ray and Lynn Morris, librarians.

Junior High Choir

Junior Band

The Junior Band is where students practice daily in hopes of being promoted to the Senior Band as a reward. Mr. Robert Baribeau is director of the band and also instructs musically inclined students in elementary schools around Albion.

Many of this years members will be traveling to the Cherry Festival at Traverse City, Michigan this summer as their first activity in Senior Band.

Members of the band will also help the Senior Band raise money for this and various other activities such as band camp. All in all it's quite a busy organization for talented students with a lot of energy.

Hall Monitors

Row 1—C. Brownridge, L. Ralston, J. Domingo, D. McKim, Mr. Duffey, *Row 2*—Mr. Simmons, M. Martin, S. Shinkus, M. Ware, J. Lawler, J. Kosko, J. Zick, B. Phelps, *Row 3*—G. Grice, W. Hale, G. Caldwell, T. Warren, D. Heisler, M. Comfort, T. Maynard.

Our school hall monitors are not really a club, but do perform an important service for our school. The boys were headed by Mr. Duffey and Mr. Simmons this year. Any student wishing to join this group can become a member.

These boys are stationed around the halls between twelve and two o'clock to keep noisy students from roaming halls and disturbing classes. Because of the eight hour school day at Albion and kids coming and going all the time, hall monitors have become almost essential.

Dave Sarcharski gives Harry Bonner a few tips on batting.

About three years ago baseball was changed from a Spring sport to summer competition at area high schools. This was to offer boys the opportunity of competing in four sports each year rather than three.

The Wildcats placed third in the Twin Valley league last summer with a record of twelve wins and eleven losses.

Dave Sarcharski led the team in batting this year and was an infielder on the all-conference team. The baseballers are coached by Albion's Recreation Director, Jerome Sarcharski.

Because of the interference with summer jobs, many of the boys who would like to play baseball are unable to go out for the team. It is hoped that more students will take an interest in the team and come out in full support next season.

Some of the boys discuss the importance of a fielders mitt.

"Now fellas this is the way to catch a grounder."

Guidance Counselors

Mr. Gray, Mrs. Boucher, Mrs. Fleenor and Mr Jackson, guidance counselors at Albion, discuss their work.

Seniors Exchange Student, Eduardo Mattar

Each year, Albion High welcomes foreign exchange students participating in the Youth for Understanding Exchange program. Sharing in our school's scholastic and extra-curricular activities this year, is Eduardo Mattar, who hails from Rio De Janiero, Brasil. Eduardo has previously lived in Colon, Michigan before coming to Albion. He now resides at the home of Mr. and Mrs. Richard Young, head of the exchange program.

A student of many capabilities and possessing an interest in a variety of subjects, Eduardo finds life in the U. S. quite similar to that of his native country. He particularly enjoys sailing, soccer, volleyball, and philosophy, literature, classical music, and political science also keep him intrigued.

After one more year of high school in Rio De Janiero, Eduardo's ambition is to attend college and become an economical engineer.

Albion's best wishes go to Ed throughout his future and our thanks for a better understanding of our teen-age neighbors.

MATHEMATICS—THE ALPHABET TO THE UNIVERSE

Publication Staffs Have a Busy Year

The Breeze Annual Staff would like to take this opportunity to thank the teachers, students and merchants in Albion who helped make the *1965 Breeze Annual* one of the best ever. A special note of thanks goes to our advisor Mr. William Terrell for all his work.

Most people would not realize all the work involved in putting this publication out each year. The picture taking is just the beginning to paste-up, stories, lay-out and a lot of time.

Much credit should be given to Cindy Reichow and Sharon McAuliffe. Cindy did all the excellent drawings used on our division pages while Sharon is our advertising manager and worked hard to get the ads for our *Breeze*.

We hope that in the future years more interest will be taken in the annual and paper by students so the *Breeze* will continue to grow and improve.

Best of luck to next year's staff and editors.

Jane Dooley and Joanne Hilborn

These recent Albion High School graduates are learning for the future. Harvey Wheller and Kenneth Zuehoke are employed in the Albion Malleable Iron Company's apprenticeship program. They are learning crafts that are vital to modern industry. In any one of the several trades included in the AMICO apprenticeship program, an ambitious young man can learn today's skills for today's jobs.

During the four-year AMICO apprenticeship of on-the-job training and classroom study, the apprentices learn how to install and maintain the equipment that is the backbone of American industrial development. If you want a part in the future--check into the AMICO apprenticeship program.
